Corrigendum to “Task Scheduling for Heterogeneous Computing using a Predict Cost Matrix” by Hamza Djigal, et al. Proceedings of the 48th International Conference on Parallel Processing: Workshops (ICPP, 2019)

In the article, “Task Scheduling for Heterogeneous Computing using a Predict Cost Matrix” by Hamza Djigal, et al. published recently in the Proceedings of the 48th International Conference on Parallel Processing: Workshops (ICPP, 2019), we forgot to write the authors’ University name, which is: Hohai University

The correct authors’ affiliation are:

- Hamzi Djigal, College of Computer and Information, Hohai University, Nanjing, China
- Jun Feng, College of Computer and Information, Hohai University, Nanjing, China
- Jiamin Lu, College of Computer and Information, Hohai University, Nanjing, China
