ISBN: 978-1-4503-7689-1 doi>10.1145/3386762.3386778

In IEEA'2020, the 9th International Conference on Informatics, Environment, Energy and Applications, in Amsterdam, The Netherlands, March 13, 2020, pages 131-135 (Sumayyah Dzulkifly et al., “Enhanced Continuous Face Recognition Algorithm for Bandwidth Constrained Network in Real Time Application”), the acknowledgment should have deleted some Chinese words, as follows:

On page 134, ‘错误!未找到引用源。 summarises the results, from varied recognition viewpoints.’ Should have been modified as ‘Table 2 summarises the results, from varied recognition viewpoints.’

The lower part of the table (page 134) separated by gray grids should have been on the next page.

The second row, first column of Table II (page 135) cell height to be adjusted so the sentence “Logitech USB based Webcam (C310)” can be seen clearly.

(see DOI: <https://doi.org/10.1145/3386762.3386778>)
