CORRIGENDUM

External Representations of Objects of User-Defined Type

[P. J. L. Wallis, *ACM Trans. Program. Lang. Syst.* 2, 2 (April 1980), 137–152.]

Peter J. L. Wallis [Received 30 June 1980]

School of Mathematics, University of Bath, Claverton Down, Bath BA2 7AY,
United Kingdom

In Figure 6, page 151, the line reading

oninput 1 := Date valof . . .

should read

oninput l := Life valof . . .

In addition, with the exception of **LETT** 11 appearing twice on line 4, all the 1's (number one) in Figure 6 should be changed to l's (letter el).
