

Call for Nominations
Editor-In-Chief
ACM Transactions on Cyber-Physical Systems

The term of the current Editor-in-Chief (EiC) of the [ACM Transactions on Cyber-Physical Systems \(TCPS\)](#) is coming to an end, and the [ACM](#) Publications Board has set up a nominating committee to assist the Board in selecting the next EiC. Nominations, including self-nominations, are invited for a three-year term as TCPS EiC, beginning on March 1, 2021. The EiC appointment may be renewed at most one time. This is an entirely voluntary position, but ACM will provide appropriate administrative support.

The EiC is responsible for maintaining the highest editorial quality, for setting technical direction of the papers published in TCPS, and for maintaining a reasonable pipeline of articles for publication. He/she has final say on acceptance of papers, size of the Editorial Board, and appointment of Associate Editors. The EiC is expected to adhere to the commitments expressed in the policy on [Rights and Responsibilities in ACM Publishing](#). For more information about the role of the EiC, see [ACM's Evaluation Criteria for Editors-in-Chief](#).

Nominations should include a vita along with a brief statement of why the nominee should be considered. Self-nominations are encouraged, and should include a statement of the candidate's vision for the future development of TCPS. The deadline for submitting nominations is 30 October 2020, although nominations will continue to be accepted until the position is filled.

Please send all nominations to the search committee chair, Krithi Ramamritham (ramamrithamk@gmail.com). The search committee members are:

- Krithi Ramamritham (Indian Institute of Technology Bombay), Chair
- Tarek Abdelzaher (University of Illinois at Urbana-Champaign)
- Samarjit Chakraborty (University of North Carolina at Chapel Hill)
- Tulika Mitra (National University of Singapore)
- Wei Zhao (American University of Sharjah)
- Divesh Srivastava (AT&T Research), ACM Publications Board Liaison
