

Call for Nominations
Editor-In-Chief
ACM Transactions on Privacy and Security

The term of the current Editor-in-Chief (EiC) of the [ACM Transactions on Privacy and Security \(TOPS\)](#) is coming to an end, and the [ACM](#) Publications Board has set up a nominating committee to assist the Board in selecting the next EiC.

Nominations, including self-nominations, are invited for a three-year term as TOPS EiC, beginning on October 1, 2020. The EiC appointment may be renewed at most one time. This is an entirely voluntary position, but ACM will provide appropriate administrative support.

The EiC is responsible for maintaining the highest editorial quality, for setting technical direction of the papers published in TOPS, and for maintaining a reasonable pipeline of articles for publication. He/she has final say on acceptance of papers, size of the Editorial Board, and appointment of Associate Editors. The EiC is expected to adhere to the commitments expressed in the policy on [Rights and Responsibilities in ACM Publishing](#). For more information about the role of the EiC, see [ACM's Evaluation Criteria for Editors-in-Chief](#).

Nominations should include a vita along with a brief statement of why the nominee should be considered. Self-nominations are encouraged and should include a statement of the candidate's vision for the future development of TOPS. The deadline for submitting nominations is May 20, 2020, although nominations will continue to be accepted until the position is filled.
